

Copper Point Golf Club

Corporate Golf Retreat in the Columbia Valley

Bring your corporate event to Copper Point. We have the perfect location, in the heart of the Columbia Valley, for corporate golf retreats, golf tournaments, conferences, incentive programs and seminars.

The Point Course is our Par 70 championship-caliber course, regardless of your style, though, this rock-solid test is bound to impress. Complete with hand-carved bunkers, slick putting surfaces and world-class service, The Point is golf course architecture at its finest.

Our 2nd 18 hole course, The Ridge, is a Par 62 Masters-style course (full length par 3 and par 4 holes, no par 5's) which is well on its way to stardom! A quick, challenging and totally satisfying experience, this professionally-designed course features magnificent shaping, superb bunkering and a brilliant overall route that will have you singing the praise of not just the Kootenay Rockies, but a non-traditional version of the game that is here to stay.

A luxury corporate retreat to an offsite location like a golf course provides a relaxed environment that promotes better communication and an impartial environment that blends learning with pleasure.

Few meeting locations offer the charm and elegance of Copper Point Resort. Here, delegates and guests alike experience the true meaning of a “destination meeting” – spectacular scenery, unique meeting spaces, first class catering, on-site spa services and two world class golf courses just steps from your room.

Copper Point Resort’s meeting spaces offer groups up to 275 delegates a unique variety of indoor and outdoor choices such as: a 3,200 sq ft meeting room with natural lighting and attached outdoor patio, 2,300 sq ft open-concept ballroom overlooking The Ridge Golf Course and a 955 sq ft boardroom that exemplifies the pinnacle of CEO excellence.

Step outside your meeting room and onto the course. Copper Point Golf Club, offering two courses, the championship golf course, The Point and the masters style golf course, The Ridge.
