

STARTER MARSHALL

Copper Point Golf club is home to 36 holes of golf facility with, teaching academy, pickle ball courts, putting course and practice areas. With a fully stocked pro shop and restaurant ranging from golfer classics to fine dining it makes Copper Point Golf Club one of the premier destinations in the Columbia valley.

This position is ideal for someone who has a passion for golf and interacting with a diverse group of people in a pleasant and professional manner. The applicant should be a self starter who can work effectively on their own and in a team environment, this includes working with all departments within the golf club.

The job of a Player Assistant is two-fold at Copper Point Golf Club.

- The Starter: When working this position it is your job to get players teed off on time throughout the day. This has to be maintained to ensure the course plays in a reasonable amount of time and within the clubs expectations. The starter is responsible for welcoming and educating all levels of golfers within the rules and guidelines of the club.
- Marshall: When on course the Marshall is responsible for greeting every guest politely and ensuring their experience is a positive one. They are responsible for maintaining an appropriate pace of play on the course and accommodating any customer inquiries.

It is up to the Marshall to advise them of concerns and to help them, if necessary, while maintaining a friendly and Professional disposition. Both positions also require regular radio contact with guest services, the driving range and golf shop. We supply a full training program to both of these positions.
